Connect in Care is funded by NHS Quality Improvement Scotland and NHS Education for Scotland in partnership with the Care Commission. It is administered by the University of Edinburgh.

Connect in Care is closely associated with My Home Life UK and the Care Home Learning Network Scotland.

Published 2007

is a network for
staff involved
in caring for
older people
wherever that
care takes place

Would you like...

- to share experiences and learning with others?
- support to develop practice in your care environment?
- easy access to up-to-date resources relating to care for older people?

...then join Connect in Care!

What will Connect in Care provide?

- Accessible, creative resources
- Ideas and tips for practice
- An opportunity to learn from the experience of others
- Learning events within your work environment

Who is Connect in Care for?

Connect in Care is for all staff and students involved in caring for older people, wherever that care takes place (eg. care homes, hospitals, community and hospice settings).

Join Connect in Care - there is no cost involved

If you are interested in finding out more, either;

- send back the form overleaf
- or register online at www.connect-in-care.net

We will then contact you with further information.
